

Draw The Triangle 1

$P(R)$ represents a pattern drawn by Julia in R rows. The following pattern represents $P(5)$:

```
* * * * *
* * * *
* * *
* *
*
```

Write a query to print the pattern $P(20)$.

```
set @number = 21;
select repeat('*', @number := @number - 1) from information_schema.tables;
```
